

## CRIT CORONATION PLANS DEVELOP SLOWLY.

Many Both Society People and Tradesmen Feel Like Quarrelling With the King.

MUCH LILIES ARE MUCH IN FAVOR.

What Great Quantities of Them Are Being Imported From Germany and Holland for Coronation Wear.

**SPECIAL BY CABLE.**  
London, Jan. 11.—Not only society, but tradesmen as well, are complaining bitterly of the delay in the coronation arrangements.

This delay is causing great distress of mind in the West End. It has been remarked how empty the big shops in Bond street, Piccadilly, Oxford street and Regent street have been during this week, while society people, who are desirous of getting away for a short time before the winter is over, declare that they cannot go far from London till they know something definite.

Application for seats in Westminster Abbey at the coronation have now all been sent in. It is feared that the small number of tickets will be caused when the list is made, several names being conspicuous by their absence.

It is well known that one or two peers and peeresses are absenting themselves on account of the heavy cost of robes.

**Lilies and Roses.**  
Notwithstanding what is said to the contrary, it looks as if lilies will share with roses the honor of being the popular flower at the coronation.

Crowns are making great preparations to meet such a demand, with the result that crowns and clumps are being imported from Germany and Holland in great quantities. Crowns are separate bulbs which are grown in the peaty soil round Berlin. These are imported from Holland, where they are till wanted they will be kept in a freezing house. Florists say they can be timed to bloom at any moment.

Clumps consist of a number of bulbs tangled together. They are imported from Holland, with a view to outdoor growing in special districts in Lincolnshire. Their natural bloom season will come directly before the coronation. These bulbs are being brought in by millions.

**Question of Precedence.**  
At the coronation the Duchess of Fife will be the third lady in rank, coming after the Queen and the Princess of Wales, and before her two sisters. The Duke, however, comes after the Duchess. The Duke's rank deep consideration whether, by royal will, the Duke can be placed by his own side without risk of a storm of indignation on the Dutch bench.

The case of the Duke of Fife is further complicated by the fact that the Duchess is unwilling to appear without her husband. The Duke of Fife is further complicated by the fact that the Duchess is unwilling to appear without her husband.

### OLD MAN'S BODY WAS THROWN INTO A WELL.

Woman and Daughter Are Under Arrest—Deny Connection With Case.

Ottawa, Kas, Jan. 11.—John Booth, an old man, was murdered some time last night and his body thrown into a well on the premises of Mrs. McCoy, a black from his home.

Booth's skull had been crushed with an ax and the body put into the well head-downward. Clots of blood and a bloody ax were found near the well, and what appeared to be a blood-stain was found on the kitchen floor of the McCoy house.

Mrs. McCoy and a daughter have been placed under arrest. They say that Booth was not at their house last night. The Kansas City authorities have been notified to arrest another daughter, who is believed to have left for that city on an early train.

**Poultry Exhibition Closes.**  
REPUBLIC SPECIAL.  
Charleston, Ill., Jan. 11.—The Eastern Illinois Poultry and Pet Stock Association closed a four days' exhibit here today. It was the first annual show of the association, and was highly successful. Nearly 1,000 birds, fowls and pet animals were on exhibition, and great interest was shown in the many visitors who attended. E. A. Pierce of Indianapolis, an expert in poultry, judged all the classes. The next annual meeting will be held in Mattoon. New officers were elected, as follows: President, T. L. Carney; Vice President, J. W. Walsh; Secretary, C. S. Vortice; Treasurer, J. L. Brown; Superintendent, Mrs. S. D. Dole.

**Fate of a Sleep Walker.**

**Colonel Marigan Captured.**  
Manila, Jan. 11.—Colonel Marigan and a priest, who were General Malvar's principal supporters in Batangas Province, have been captured by General Bell. The latter has granted an armistice of five days to allow Colonel Marigan to concentrate 100 men, with rifles, for the purpose of surrendering.

**M'KINLEY MEMORIAL MEETING.**  
Joint Committee Fixes February 27 as the Date.

Washington, Jan. 11.—The joint committee of the Senate and the House of Representatives, appointed to make arrangements for a memorial meeting in honor of President McKinley at which Secretary Hay will deliver an address, decided today that the proposed meeting should be held in the hall of the House of Representatives at noon, February 27.

The decision was reached at a meeting of the committee held in the marble room of the Senate at which Senator Foraker presided.

**HEN'S EGG CHANGES HIS LIFE.**  
Won Jacob Miller a Position and Probably a Wife.

REPUBLIC SPECIAL.  
New York, Jan. 11.—A hen's egg has changed the whole life of Jacob Miller, and the chances are that it will get him a wife before he gets through with it. It has already won him a job, and he is in fair way to win the girl.

Jacob was until today a clerk in a grocery store in Woodcliff, N. J. While unpacking a crate of "hen fruit" he noticed an egg on the floor. He picked it up and found it was a "hen's egg." He was told that it was a "hen's egg" and he was told that it was a "hen's egg."

Edna replied that she did not know why she put her name on this particular egg, but she was glad she had, because she liked Jacob's letter.

This started a regular correspondence. Old man Busby got interested, and invited Miller to Annapolis.

Jacob will leave on Monday. His friends believe the egg will hatch a wedding.

**New Record for Steer Tying.**  
Sonora, Tex., Jan. 11.—In the rope contest here Tom Barkdale carried off the first prize, roping and tying his steer in thirty-six seconds.

"Do you always tell your wife the truth?"  
"Hess you, of course I do. I even tell her more than the truth."

### SURGICAL TESTS TO BE MADE IN THE AIR.

Aero Club Preparing for a Series of Important Experiments in Balloon Cars.

REPUBLIC SPECIAL.  
Paris, Jan. 11.—The Scientific Committee of the Aero Club is preparing an important series of surgical experiments to be made at various altitudes. Special balloon cars are to be fitted with all the essentials of an operating-room.

Various problems of heart action under anesthesia and subsequent recuperation are to be worked out. The first subjects will be guinea pigs and a dog.

A new balloon for the exploration of the Sahara Desert is about to be made by Colonel Debarthe, an officer of engineers, who has devised an ingenious scheme for the automatic discharge of water ballast. The same arrangement will open a safety valve automatically when the balloon descends, and keep the balloon up.

M. Debarthe expects to travel a long way close to the ground, so as to reach the French stations in succession.

M. Santos-Dumont's gift of \$20,000 to the poor of Paris, to be expended in redeeming articles of household necessity and workmen's tools pawned between two workdays, is now exhausted. One remarkable pledge returned was a set of false teeth, which seemed to indicate a distressing degree of poverty.

### HOTEL MEN HAVE LEARNED WISDOM.

Legislators Not Inclined to Grant Favors to Tavernkeepers of State Capital.

REPUBLIC SPECIAL.  
Kansas City, Mo., Jan. 11.—David Lauber of the West End Hotel, St. Louis, was today elected vice president of the Missouri and Kansas Hotel Men's Association. The convention has decided to draft a bill for legislative action in both States covered by the organization to head off deadbeats.

H. P. Bolen of Chicago warned the convention that it would not do to trust its lobbying for the bill in the hands of hotel men at the State capital, "because," said he, "when we did that in Illinois the Legislature flatly told the hotel men they had been at their mercy so long they were glad of the chance to get even with them, and they defeated our bill that time."

Accordingly no Jefferson City hotel man will be named on the commission.
